### IC3 Summer Day Camp 2010

offers children entering grades K-3 a lively learning environment in which to play, create, and explore.

Each week is a different theme! Children have the opportunity to attend weekly or enjoy camp for the entire summer. Campers will take nature walks, play water games, prepare healthy snacks, make arts & crafts, host guests from the community, as well as take weekly swim and field trips!

The program will run weekdays, 8:00 AM–5:30 PM, from June 28th through August 27th. The program will be closed July 5th. You may register your child by the week or for the entire summer. The cost is \$180 per week per (exception: the week of July 5th \$145), this includes daily snacks, beverages and all field trips (campers bring their own bag lunch).

#### About the Site

The camp will be held in a spacious environment. Campers will have full use of an outdoor play area complete with a climbing structure. We also have daily access to a full size gymnasium.
